Rent Is Too Damn High
Party

They took damn out our party name
Damn man...
Without it - it ain't going to be the same
Um Hum?
They took damn out our party name
Damn man...
Without it - it ain't going to be the same

I tried to fix it on October 6th
They told me No
My feelings were mix
I am going to keep going no matter what
Rent is too damn high
No if and or buts
I am going fight
As hard as I can
To win this election
I hope you understand
They took damn out our party name
It - it - it, ain't going to be the same
But it's alright
